SLV COLLEGE OF NURSING
AKHNOOR ROAD, POONCH LANE, UDHEYWALA, JAMMU

Introduction

SLV College of Nursing is a co-educational institute situated in the heart of Jammu City on national highway 144A, Akhnoor Road, Poonch Lane, Udheywala, Jammu. The College is managed by **SLV Education Trust (Regd).**

The College believes that nursing is an oldest of an art and the youngest of the profession, which is caring discipline considered as pivotal health care profession. Values of the nursing profession are rooted in helping the people to promote the health, prevent the illness and caring the individual. Family and community during sickness to attain, maintain and recover the optimal health and quality of life from womb to tomb. The success of patient care and the reputation of the hospital largely depend upon the efficiency of nursing care being provided by the nursing personnel.

The college is dedicated and committed to train and groom nurses by offering premier quality teaching, instructions and guidance in clinical and research areas of modern nursing. Nursing services, education and research activities of the department are at par excellence.

The College aims at producing the next generation healers as there is an increasing realization on the importance of paramedical personnel in the health sector, especially in accident and trauma care. It is affiliated to University of Jammu and approved by the UT of J&K / J&K Nursing Council and the College has also the recognition from the Indian Nursing Council, a fact that ensures that the college's programs fulfill the set national standards.

The College boasts state-of-the-art infrastructure, including modern and fully ventilated classrooms, Multi-media halls, well-equipped laboratories, and a library housing an extensive collection of books and medical journals.

Paramedics are an advantage to nursing homes and a dream for students, who have not been able to become full-fledged medical professionals. Health care delivery systems are undergoing rapid changes and the demand for skilled paramedical personnel is on the rise.

Increasing demand of skilled Paramedical Professionals has opened up several career opportunities for young aspirants. To cater to growing demand of trained paramedics is the most important aspect these days.
